

FIX DIAMOND NFT

VOUCHER F1

PROFIXONE CAPITAL ACCOUNT

There is an Account

If you have a personal account on the ProfiXone Capital platform, then an amount of 2500USDT in FIX One tokens will be added to your personal investor account. This amount will grow by 1% weekly, and you will be able to use them at your discretion, withdrawal of funds will be available at the beginning of each month on the 3rd. But the initial amount of 2500USDT remains in the bonus account in your account as long as you own NFT FIX Diamond. After you have sold your NFT, this bonus, in the form of FIX One tokens in the amount of 2500 USDT, passes to the next owner of this NFT. The more NFT FIX Diamond you have, the more the bonus amount will be on your account.

ACTIVATION

If you have an existing account on the ProfiXone Capital platform, you need to in your personal account office.fixglobal.pro contact the manager and send the following data: First name, Last Name and your Email from the ProfiXone Capital platform. Your personal manager will explain further actions to you.

The activation period of the voucher is 30 days from the date of purchase of NFT - FIX Diamond.

No Account

If you do not have an account yet, then you need to register an investor's personal account through the registration form, which will appear after clicking the "Activate" button in your personal account office.fixglobal.pro.

Important! If you have been invited to this platform, then when registering in the referral code section, specify the number that the person through whom you learned this information should send you. If there is no such person, and you yourself have found information about the project, in this case, leave this field empty.
